Normal Operations	Normal Operations	Normal Operations	Level 3

National Test of the Wireless Emergency Alert (WEA) and Emergency Alert System (EAS)

On 10/03/18, the Federal Emergency Management Agency (FEMA), in coordination with the Federal Communications Commission (FCC), will conduct a nationwide test of the Emergency Alert System (EAS) and Wireless Emergency Alert (WEA) system.

- The test will assess the readiness to distribute an emergency message nationwide and determine whether improvements are needed.
- At 1118 hours, the WEA test message will be sent to cell phones that are connected to wireless providers participating in WEA.
- At 1120 hours, the EAS message will be sent. EAS is a national public warning system that provides the President with the communications capability to address the nation during a national emergency. The test is made available to EAS participants (i.e., radio and television broadcasters, cable systems, satellite radio and television providers, and wireline video providers) and is scheduled to last approximately one minute.

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

2018 Fleet Week SF, San Francisco

The Senior Leader Seminar will be held at the Marines Memorial in San Francisco 10/03/18 – 10/04/18. Several members of the Cal OES Executive Team will attend and speak at the seminar.

SITUATION SUMMARY

Cal OES SOUTHERN REGION

October Storms 1 Event, Southern California

A Pacific storm is forecast to impact southeast California through [10/04/18](#).

Weather Alerts

- [All Flash Flood Watches for this event have been cancelled](#)

Cal OES Activations

- Southern Region Emergency Operations Center (SREOC) is activated to Level 3, operational period [0800-2000 hours](#), Duty Officer status overnight
- The Cal OES State Operations Center (SOC) team is prepared to respond if needed

Deployments

- 1 Cal OES Southern Region Emergency Services Coordinator (ESC) to the Riverside County Emergency Operations Center (EOC)
- 1 Cal OES Acting Southern Region Regional Administrator to the Riverside County EOC
- [1 California National Guard \(CNG\) Liaison to the Riverside County EOC](#)
- [1 Cal OES Fire and Rescue Branch Assistant Chief assigned](#)

Riverside County:

Activations

- Riverside County EOC is activated at Level 3 (lowest) as of 0700 hours
- Lake Elsinore EOC activated at the lowest level on 10/01/18

Resources Assigned

- [See Fire Activity Slide](#)

Evacuations

- [Riverside County EMD issued a voluntary evacuation warning for approximately 900 residences in the Holy Fire burn scar area, which includes the following pre-identified community zones:](#)
 - [Laguna, El Cariso, Amorose, Withrow A, Rice, Alberhill, Horsetheif B, Glen Eden, Grace, Maitri, Glen Ivy](#)
 - [The County will re-assess the risk based on the latest NWS reports and decide whether a mandatory evacuation order will need to be issued on 10/03/18.](#)
- Outreach to the homeless population has been conducted to ensure their safety during the rain event
- Riverside County law and fire personnel have been going door to door educating residents

SITUATION SUMMARY

Cal OES SOUTHERN REGION (Continued)

October Storms 1 Event, Southern California (Continued)

Shelters

- Santiago High School, 1395 Foothill, Corona
 - Operated by the Riverside County Department of Social Services
 - Overnight population: 0
- Lake Elsinore High School, 21800 Canyon Dr., Wildomar
 - Operated by the Riverside County Department of Social Services
 - Overnight population: 0
- Cal OES Disaster Logistics Management has supplies for 5,000 people for 3 days in Los Alamitos
 - Supplies can be mobilized within a few hours if needed

Animal Shelters

- San Jacinto Valley Animal School Campus, 581 S. Grand Ave., San Jacinto (small and large animals)
- Staff will be on call to assist with transporting animals from the Care and Reception Centers to the animal shelter, if needed

Critical Infrastructure

- There are no expected communications issues

Schools

- Schools will remain open 10/03/18

Missions

- Cal OES Law Enforcement Missions and Cal OES Mission Tasking Slides

Law Enforcement

- Local law enforcement and fire are in unified command
- There are no requests for LEMA and none are expected

SITUATION SUMMARY

Cal OES SOUTHERN REGION (Continued)

Virulent Newcastle Disease (VND) in Backyard Poultry and Avian in Los Angeles, San Bernardino, and Riverside Counties

The California Department of Food and Agriculture (CDFA) has detected virulent Newcastle disease (vND) in backyard exhibition poultry and avian in San Bernardino, Riverside, and Los Angeles counties, and declared an Agricultural Emergency on 06/26/18. The CDFA State Veterinarian-Director has established an animal (defined poultry species) and animal products quarantine in designated disease control areas in the counties of San Bernardino, Riverside, and Los Angeles. Since 05/18/18, the USDA has confirmed 150 cases of vND in backyard birds in California, 97 in San Bernardino County, 21 in Riverside County, 31 in Los Angeles County, and 1 in Ventura County.

Deployments

- 1 Cal OES Southern Region Senior Emergency Services Coordinator (ESC) is deployed as an Agency Representative.

FIRE ACTIVITY

WEATHER OF CONCERN

Weather of Concern

Northern California:

- Afternoon and evening thunderstorms are possible across central California today.
 - In addition to cloud to ground lightning, thunderstorms can bring strong, gusty winds and locally heavy downpours.
 - Flash Flood Watches are in effect for the area, including the Donnell Fire and Mendocino Fire burn scar areas.

Southern California:

- A weak Pacific storm will bring mostly light showers to the burn areas in Southern California today into Thursday morning.
 - The best chance of intense rain will be late this afternoon and evening.
 - The main threat given the current thresholds is for the Holy Fire burn scar.

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

- Cool, moist, unsettled weather through Friday night, continuing E of the Cascade-Sierra crest Saturday.
- Most areas will get 0.25-1.00 inches of rainfall. Scattered thunderstorms today may produce heavier amounts.
- High pressure will build in Saturday and remain in place through Monday.
- N-NE/Offshore winds W Cascade-Sierra slopes to the coast Saturday-Monday. Peaking early Sun with 15-30 mph gusts to 45 mph.
- Relative humidity (RH) will drop to 12-25% in windy areas Sunday-Monday, but rainfall preceding windy stretch will prevent this from being a High Risk event.
- More wet unsettled weather expected next Tuesday-Thursday.

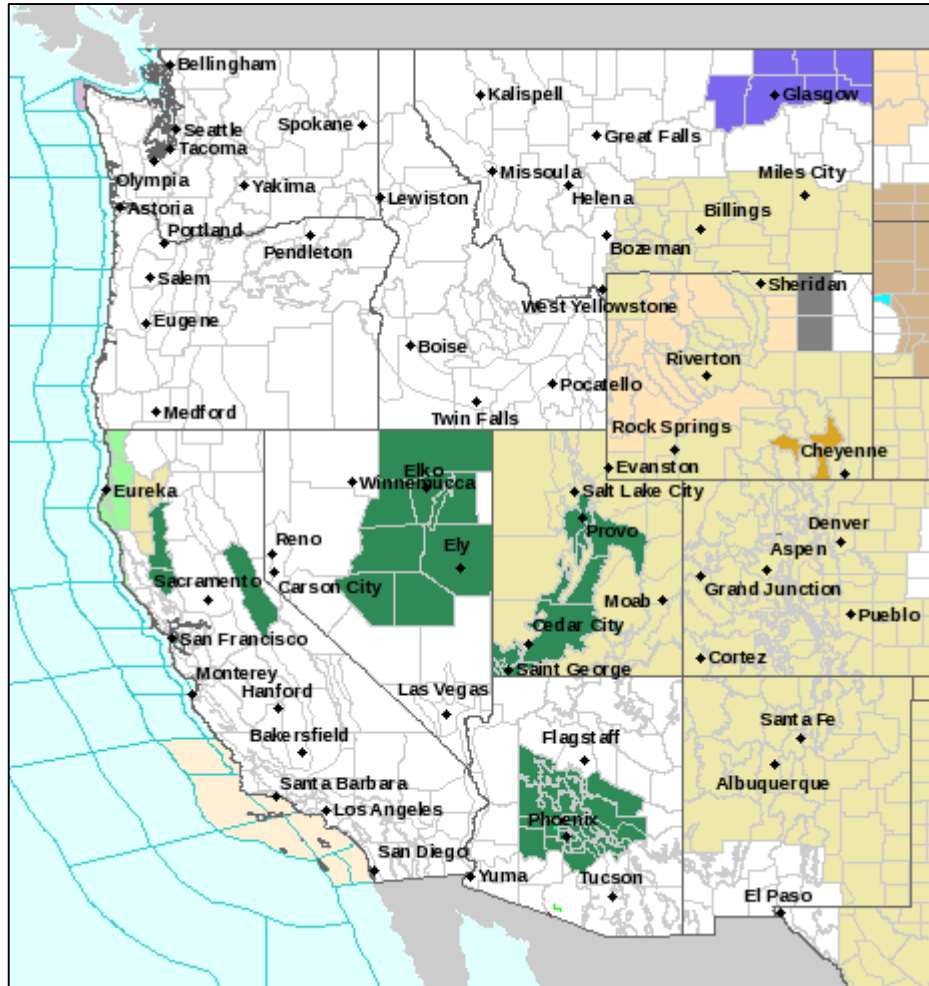

SOUTHERN CALIFORNIA

A storm system will bring periods of rain to the central coast and the south side of the Los Padres National Forest this morning before spreading into the rest of the area this afternoon. Isolated thunderstorms will be possible during the afternoon and evening hours. Drier weather with a slow warming trend is expected Friday through Sunday.

- Most areas will see 0.10 – 0.25" of rainfall. The south aspects of the Los Padres and Angeles National Forest, as well as the Sierras, will see storm total precipitation of 0.50" – 1.00"
- Rainfall intensities will be light, but brief periods of moderate rain will be possible this afternoon as the atmosphere turns unstable.
- A few showers may linger into Thursday in the southern Sierras and the north sides of the San Bernardino N.F. Skies will clear in the afternoon.
- Temperatures will be cool for this time of year today and Thursday with highs in the 50s in the mountains to the 70s at lower elevations. Look for readings to climb back to near normal by the weekend with highs in the 80s in the valleys.
- Gusty northwest winds of 15-25 mph will be possible across the central coast and Kern County Mountains each afternoon Friday into the weekend.
- Deep marine layer coverage over Southern California expected Friday through Sunday.
- No offshore winds or exceptionally hot temperatures are expected the next 7-10 days.

Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-52108, 10/02/18, 2215 hours:** Santa Cruz County Sheriff's Office requested 30 Type-2 ground searchers and 8 Human Remains Detection (HRD) canine teams for 10/03/18, to search for the remains of a missing and presumed deceased person. Investigative information identified a location in Merced County that will be searched. Merced, Madera, Santa Clara, and San Benito Sheriff's Offices are deploying personnel. CARDA and Santa Clara Sheriff's Office are deploying HRD canine teams. **Mission Ongoing.**
- **2018-LAW-52095, 10/02/18, 1540 hours:** Tulare County Sheriff's Office (TCSO) requested military aircraft support to assist in locating a 75 year old male who went on a solo day hike and was 24 hours overdue. CHP and local law enforcement aircraft were unable to assist due to elevation and wind conditions. The last known location was the Jennie Lake Trailhead at 8,000 feet. The Air Force Rescue Coordination Center (AFRCC) was notified and a Naval Air Station (NAS) Lemoore aircraft was assigned the rescue mission. At 1615 hours, TCSO ground searchers located the missing person, who was lost, but in good health. The NAS Lemoore aircraft was cancelled. **Mission Closed.**
- **2018-LAW-52075, 10/02/18, 0940 hours:** Siskiyou County Sheriff's Office (SCSO) reported a missing 47 year old male who was last heard from at 2045 hours on 09/30/18. The missing person (MP) is diabetic and insulin dependent. His insulin kit and cellular phone were located in his truck, which was discovered idling on a forestry road in the Siskiyou wilderness. SCSO requested forensic analysis of the MP's cellular phone through AFRCC. Because the phone was locked and off, AFRCC could not provide historical data. SCSO also requested a military aircraft for aerial search, due to the unavailability of civilian law enforcement aircraft for the mission. CNG Joint Operations Center (JOC) was contacted and assigned the rescue mission to CNG Aviation for 10/03/18. **Mission Ongoing.**
- **2018-LAW-52025, 09/30/18, 1400 hours:** Port of San Diego requested assistance from the Cal OES Law Enforcement Branch/Cyber Security Integration Center to mitigate a technology attack to their server. Cal OES will deploy a Cal-CSIC team comprised of Cal-CSIC, California Military Department, and California Department of Technology staff. **Mission Ongoing.**
- **2018-LAW-52001, 09/28/18, 1630 hours:** Riverside County Sheriff's Department (RCSD) requested ten CNG Medium Tactical High-water Clearance Vehicles for two different areas in support of the in-coming weather event, Hurricane Rosa. According to current weather reports by NOAA, two storm fronts were approaching and expected to begin Sunday, 09/30/18, and impact the Cranston Fire and Holy Fire burn scar areas. CNG accepted the mission and pre-staged in support of potential evacuation or rescue operations in Riverside County. **Remaining on scene at staging areas for the Cranston Fire. The Holy Fire resources are reported 10/03/18 to the Holy Fire burn scar area ICP (Per the CNG Liaison). Mission Ongoing.**
- **2018-LAW-50684, 09/01/18, 1500 hours:** Yolo County Sheriff's Office (YCSO) is resuming a prior search mission related to a cold case homicide. YCSO requested HRD canine teams to assist in their search. This mission was reopened and the Law Enforcement Branch Canine Coordinator facilitated the response of two HRD teams. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-SREOC-52116:** [2018-10-01-Riverside October Storms - 4 CAL FIRE Hand Crew strike teams for potential debris flows in burn areas.](#)
- **2018-SREOC-52063:** Daily Operations – California Department of Social Services (CDSS) Agency Representative (AREP) to support Southern Region Emergency Operations Center (SREOC) activation. (On Scene)
- **2018-SREOC-52011:** Daily Operations – Caltrans AREP to support SREOC activation for potential debris flows in Riverside and Orange Counties in the Holy Fire burn area. (On Scene)
- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
